

ZODIAC READYMADES

Asia Haleem © 2013

These are objects in my possession which I see as endowed with celestial qualities - not manufactured, but acquired and put together after suddenly seeing what they are about. I illustrate them in this personal gallery, and I would not seek to repeat them for others. But hopefully they will inspire the reader to assemble some of their own.

DESCRIPTION AND EXPLANATION

LEOPARDESS OF THE STARRY NIGHT SKY

ASSEMBLAGE OF READYMADE ITEMS
